1. Introduction

1.1 Welcome from the Chair

I have much pleasure in introducing the Annual Report of Hertfordshire SACRE for 2021-22 which in spite of the restrictions imposed by lockdown and COVID still proved to be a productive year. We managed to hold all 3 scheduled meetings although the Autumn and Spring meetings had to be virtual. The Summer meeting was held at St. Albans Abbey which included a tour of that wonderful building.

In October we held our first ever development day attended by almost half of SACRE at the Hare Krishna Community at the Bhaktivedanta Temple in Letchmore Heath. Its calm and peaceful environment helped us to reflect on the role of SACRE in facilitating RE and Collective Worship in schools.

The most significant event of the year was the setting up of our Agreed Syllabus Conference tasked with the development of our next RE Syllabus for Hertfordshire Schools, ably chaired by Carol-Ann Chandler. COVID had forced us to delay the start of this process by a year. The Conference, composed of the SACRE membership, held its meetings immediately after each SACRE business meeting. To help guide us we sent a questionnaire to every Hertfordshire School and the response was change little but the existing syllabus needed far more on the worldview.

The serious work occurred during a weekend in March when the writing panel of teachers met in a hotel and crafted the first draft. I cannot thank them enough for their dedication and commitment.

Juliet Whitehead, our County Council support officer updated the Hertfordshire Faith Directory which lists as many religious groups as we could discover who wanted to work with their local schools. We thank them whole heartedly.

We continued to monitor the level of teaching of RE through checking secondary school websites and by circulating a questionnaire. We were impressed with how schools had coped through Covid. We note that there is a real shortage of dedicated RE teachers which is having a significant impact on the numbers of pupils taking exams.

We have established a core Strategy Group of about a dozen SACRE members which meets between the main meetings and is tasked with developing new initiatives and tackling any challenges that may impede our work.

Finally

- I want to welcome and thank our new members Cllr Asif Khan; Alison McLaughlin (Herts University); Randula Haththotuwa (Buddhist); Wendy Lidgate (full member representing Free Churches); and Rachel Griffiths Church of England
- Angharad Griffiths (Free Churches) resigned and we thank her for all the support and contributions she gave to SACRE.

I hope you enjoy our Report.

Cllr. Mark Watkin

1.2 SACRE Statutory Duties

The Education Reform Act 1988 required Local Education Authorities to convene a SACRE consisting of members appointed by the Authority to represent:

Group A Christian denominations and other religions and religious denominations

Group B The Church of England

Group C Teachers' Associations

Group D The Authority

After considerable consultation and discussion with interested bodies throughout Hertfordshire to ensure the SACRE would be representative, the Authority appointed the members as required by legislation.

Membership is for a period of four years and full members of the SACRE may co-opt non-voting members to the Council. **Membership for the period 2021-22 can be found in Appendix 1.** SACRE meetings are open to the public and Hertfordshire SACRE usually meets three times a year in County Hall, a school and a place of worship/community centre.

The SACRE can advise the Authority upon matters connected with RE and collective worship in county schools; matters such as teaching methods, materials and teacher training are mentioned in the Act. The advice offered by the SACRE carries no statutory force. In Hertfordshire, SACRE also works closely with many Academies and Free Schools to try to ensure that all children and young people in the County receive high quality RE and schools provide appropriate acts of collective worship.

SACRE has two functions; it can require the LA to review its current Agreed Syllabus and it may determine, on application by a head teacher, that the requirement for collective worship in county schools to be wholly or mainly of a broadly Christian character, shall not apply to the collective worship provided for some or all the pupils in a school. Each SACRE must publish an annual report on its work.

1.3 Purpose of the Report

The Education Act 1996, Section 391 (6) and (7) requires that each year the Standing Advisory Council for Religious Education (SACRE) of each local education authority will 'publish a report as to the exercise of its functions and any action taken by representative groups on the Council during the last preceding year.'

In particular, the report shall:

- specify any matters in respect of which the Council has given advice to the Authority;
- broadly describe the nature of the advice given; and
- where any matter was not referred to the Council by the Authority, give the Council's reason for offering advice on the matter.

This report deals with these matters in summary, for the academic year September 2021 to August 2022. The full Hertfordshire SACRE met three times during the year and considered a diverse range of topics.

1.5 SACRE meetings

1.5.1 We held three SACRE meetings in the period Sept 2021 to Aug 2022. The Autumn and Spring meetings were held on-line. We met in person for the Summer Term at St Albans Abbey.:

3rd Nov 2021: Teams meeting online

- Discussion of the Development Day. Useful to help understanding of SACRE work, the nature and purposes of RE and collective worship and the importance of SMSC. It would be good to repeat on an occasional basis. Bhaktivedanta Manor in Watford was an ideal location.
- The aims and vision were agreed.
- Findings from website monitoring were discussed. Useful to identify where we might target further monitoring and triangulate with other data. It is statutory for schools to provide curriculum content by year group. Not all schools did this.

1st March 2022: Teams meeting online

- Need to up-date Faith Directory discussed and way forward to do so agreed.
- It was agreed that we suspend conference to focus on agreed syllabus development.

28th June 2022: St Albans Abbey

- Secondary school questionnaire was discussed. Deadline for return September 2022.
 - Update on Faith Directory, to be published over the summer.
 - Strategy group membership and remit agreed.
- At this meeting also, a SACRE member reported feedback from one of the teacher networks some concerns about the stress and well-being of teachers. Some feel that the senior leaders in the school do not understand the place of RE and so feel that they are not given adequate support to develop the full potential of the subject.

Local and national up-dates are provided at each meeting, especially about the local networks and the National Association of Teachers of RE (NATRE)

1.5.2 We held three Agreed Syllabus Conferences (ASC) meetings concurrent with the SACRE meetings

3rd Nov 2021

- Feedback from schools was analysed and results discussed in terms of what to focus on. Mostly teachers wanted continuity, but ASC agreed that changes need to reflect recent development, in particular the 'worldviews approach'. Guidance and principles for the writing panel to be developed for the next meeting.

1st March 2022

- Guiding principles agreed. Planning for the writing panel weekend discussed.

28th June 2022

- Draft syllabus explained and discussed.
- Planning next steps for final version and timeline for LA process and production
- Planning for launch and training

The work of the Vision and Strategy Group has continued to prove helpful in shaping and driving the work of SACRE. This has now been re-named the Strategy Group, as its work on vision has been completed, and at the June meeting, an amended membership and remit was put before SACRE. The purpose of this was to move more effectively to drive the strategic direction of SACRE and to ensure regular representation from each group. The Strategy Group continues to meet either side of each SACRE meeting.

SACRE's work over the period September 2021 to Aug 2022 was driven by both local and national issues, although the review of the Locally Agreed Syllabus was a significant part of its work.

1.6 Development Day 7th Oct 2021

Our first Development Day was held at the Bhaktivedanta Manor, Watford, on Thursday 7th October and attended by 13 members, though not all could be there for the whole day.

New members

were welcomed and introductions – on a formal 'getting to know you' theme – were shared. We then explored the role of SACRE in relation to RE, collective worship and Spiritual, Moral, Social and Cultural Development (SMSC). Bill Moore, the adviser to SACRE, used NASACRE materials to focus on the nature and work of SACRE and facilitated discussions on RE and collective worship, and in so doing also raised SMSC.

Members who attended the virtual NASACRE conference then shared aspects of workshops

they attended, which raised some interesting possibilities for future work of Herts SACRE.

We were very well looked after by the community at the Manor, with a mindfulness session in the morning, a tour of the shrine and manor and a wonderful vegetarian lunch, much appreciated by everyone!

2. RE in Hertfordshire Schools

2.1 Public examinations (see Appendix 2)

This was the first year in which students sat public exams in the usual way since 2019. As can be seen from the table below, overall entries for GCSE in Hertfordshire schools are broadly in line with, though slightly below, the national average. There has been a slight drop in entries since 2019 both locally and nationally. Bearing in mind that RE is statutory for all students until they leave school (unless withdrawn by their parents), it is disappointing that now under a third of students are entered for a public examination. Numbers of entries have dropped considerably since the Short Course GCSEs were no longer counted in School Performance measures from 2014 and the introduction of the English Baccalaureate in 2016. SACRE has raised this concern with both the Local Authority and the Government through surveys and questionnaires from RE professional bodies. Entries at A Level remained higher than the national average, but again they have fallen slightly and more sharply than the national, since 2019.

Standards in Hertfordshire schools have remained broadly in line with or slightly above the national average at both GCSE and A Level. A break down by individual schools can be found in the appendices. This provides a good basis for on-going monitoring for SACRE and enables us to target support and identify strength appropriately.

2.2 Attainment in RE not covered by public examination

It is difficult to establish how strong attainment and achievement (progression) are in non-examination RE from KS1 – 4. This year, we sent out a questionnaire to Secondary schools and await the production of a report by Herts for Learning, which we will use and analyse in 2022-23. We received a good response rate of 49 mainstream Secondary schools and 11 Special Schools. Feed back from the survey on the Agreed Syllabus review (see below) indicates that schools are on the whole delivering RE based on the syllabus and in line with the aims stated.

2.3 The Locally Agreed Syllabus

The responses to the questionnaire sent out in June 2021 were considered in the November meeting of the Agreed Syllabus Conference and were both helpful and encouraging. In all, 121 schools responded, of which 48 were Secondary. From the analysis and comments, the ASC developed a summary and key points to take to the writing panel of teachers (see appendix 4).

The panel met for a weekend in March 2022 at a local Holiday Inn and an initial version of the Syllabus was drafted in response to the comments and the requests from the ASC, which was presented to the ASC in our June meeting. From discussions on this, the adviser was asked to produce a final draft over the summer break of 2022 to put before the ASC in Sept 2022.

2.4 The quality of RE provision in schools

We continued to celebrate areas of best practice in Hertfordshire schools. Hertfordshire teachers use a range of recommended web-based guidance and CPD resources. More primary schools are now using the 2017-22 non-statutory guidance, 'Religion for Today and Tomorrow', to implement the Agreed Syllabus and SACRE continues to support and promote the use of this resource rather than the previous support materials from the 2012-17 Agreed Syllabus.

The work of our effective RE Networks has been affected by the impact of Covid on the demands of teachers, and as such, fewer were able to meet. SARETT, the St Albans network, met regularly online and was able to welcome attendees from further afield taking advantage of the benefits of online technology. Feedback from these meetings was received at each SACRE meeting. At the final SACRE meeting of the year we received feedback expressing just how pressured teachers were feeling from the impact of Covid and the demands on their time and energy. This is something which SACRE will need to consider in the future as we seek to support teachers and school leaders to provide high quality RE. We work to support and encourage all the RE networks, but are grateful for the fact that all are affiliated to NATRE (the National Association of Teachers of RE).

2.5 Withdrawal from RE

SACRE provides guidance on the statutory 'right of withdrawal' of pupils from Religious Education. We do not, as yet, monitor this, although our adviser does guide school leaders who are unsure of what their duties are in relation to parental choice.

2.6 Complaints concerning RE

No complaints have been received in the period Sept 2021 to Aug 2022.

3. Collective Worship

3.1 Determinations

The adviser to SACRE made contact with two schools to support in their consideration of renewing their determination. Again, this work was interrupted by Covid. To be further developed once the Agreed Syllabus is completed and work on collective worship can be prioritised.

3.2 Complaints about collective worship

There have been no official complaints concerning collective worship in 2021-2.

3.3 Training and support

Advice and guidance can be found on the Hertfordshire Grid for Learning. SACRE updated the Faith Directory for the academic year 2022-23.

3.4 Compliance with the statutory requirement

The SACRE model collective worship policy is published online on the Hertfordshire Grid for Learning and was due for review. It was agreed in development planning to delay this review and that the Agreed Syllabus writing and implementation would take precedence. The RE Adviser responded to a number of individual school enquiries.

4. Links with other bodies

Close links with the Local Authority are ensured by the tireless work and support of the LA officer,

Juliet Whitehead, who also links SACRE with Herts for Learning.

Local teacher networks continued to meet and, through our co-opted member, Juliet Lyal, closer links were forged with SACRE. In the summer term, the adviser to SACRE up-dated the networks on the review of the agreed syllabus.

SACRE has subscribed again to NASACRE and four members attended their national conference in May 2022, feeding back to SACRE in June.

We have made closer links with Initial Teacher Education at the University of Hertfordshire but still need to liaise with School-based ITT and the teaching School Hubs replace.

5 Other work of SACRE

SACRE's work has been taken up with agreed syllabus development, which has been a challenge under repeated Covid lockdowns. The planned conference has been postponed to allow for this and for the ensuing launch and training.

Young Ambassadors: Leverstock Green School contributed, led by six Year 6 pupils, who asked other pupils in the school three basic questions:

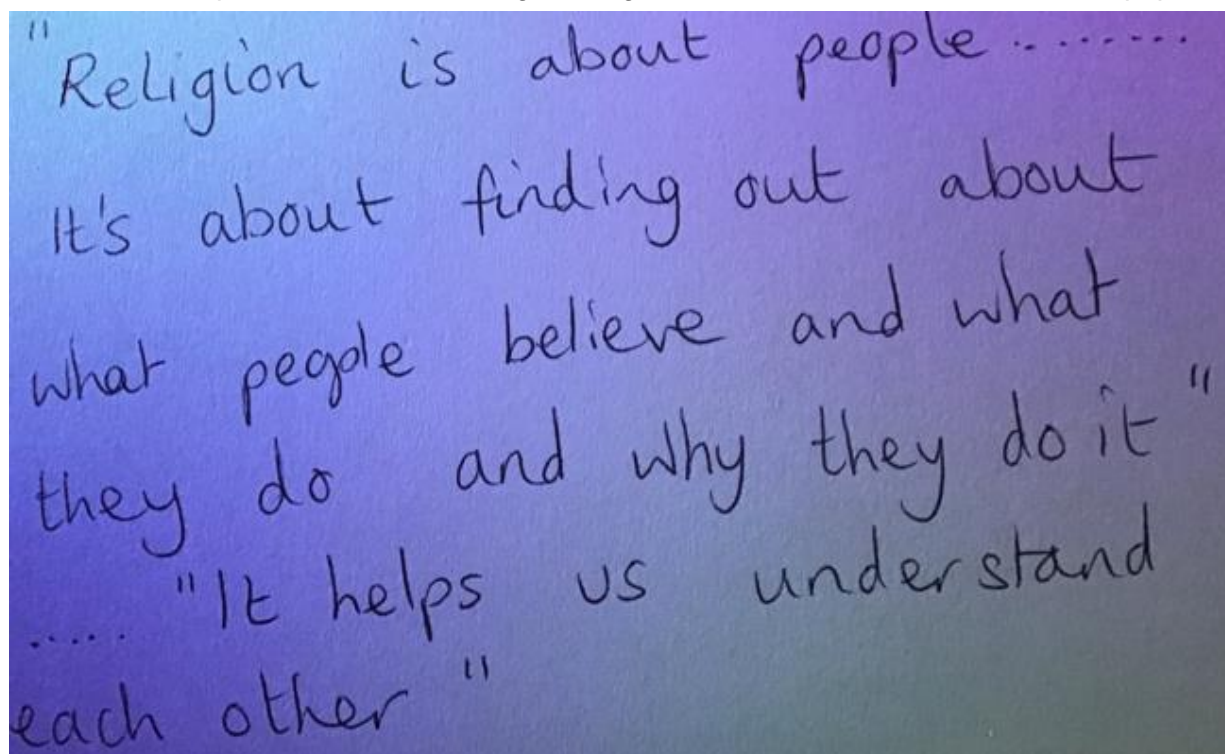

- Why is RE important?
- What if there was no RE?
- What makes good RE?

Leaders, Headteachers, Governors take notice!

We think good RE creates connections between people and cohesion. It enables people to live more harmoniously, understanding more and respecting each other more. RE celebrates and seeks to understand the diverse world we live in. It encourages values of respect and empathy.

So much more than just being tolerant!

Some of the responses were fascinating and a good reminder that we should listen to pupils!

The SACRE artefacts collection is being very well used by schools and is proving hugely popular, with almost all collections out in schools each half term. Feedback has been incredibly positive:

"Thank you for both sorting the box and enabling us to have it for the week - it was such a valuable resource and helped bring to life much of what we were learning about. I also think it's a great idea to be able to share such a resource, brilliant!"

“Our boxes arrived today, and I just would like to say a massive thank you. I can't wait to share the artefacts with my class tomorrow!”

“The teacher found the Islam box really useful and a good resource to motivate her Year 4 class.”

“The pupils have loved exploring the resources and they have really enriched their learning.”

6 SACRE's arrangements

SACRE is well supported by the Local Authority. Hertfordshire CC provides a dedicated LA officer who works closely with the Chair and the specialist adviser, as well as a Clerk to provide administrative support. The adviser to SACRE works 20 days over the year to provide the support needed for SACRE to fulfil its functions, with additional time for developing the Agreed Syllabus. There is also a small budget for additional projects and expenses. SACRE received good funding for the development of the Agreed Syllabus. SACRE works in close partnership, through the work of the LA Officer, with both the LA and Herts for Learning.

Hertfordshire SACRE has an annual budget of £20,000, although the Local Authority has been flexible in budget support for the development of the new Agreed Syllabus.

Membership

Membership is strong and we are well represented by a core of experienced and committed individuals. SACRE is a voluntary council, not dissimilar to a school Governing Board, and as such recruitment can be challenging. We are well supported by the Local Authority in recruiting new members.

SACRE members include those from academies and higher education. Members of all groups regularly attend and participate in meetings, sharing their experience, expertise and insights. Outreach to academies, MATs and faith schools is ongoing through provision of guidance, training and active involvement of all schools as representatives in national and local RE events. SACRE membership benefits from teachers who are passionate about RE and are skilled writers and trainers. These teachers and school leaders play a key role in representing school needs and priorities, writing the Agreed Syllabus and supporting curriculum documents, ensuring high quality provision for Hertfordshire pupils.

Appendix 3 Agreed Syllabus Writing Panel 25th – 27th March 2022

Summary of main points from Agreed Syllabus (AS) survey for the writing panel

It is important that we remember that anything that goes into the actual AS itself becomes statutory.

1. Most schools are using **AS as basis for planning** alongside other resources (eg Understanding Christianity) for support.

However:

a) Some do not understand what an AS is – they think it is guidance or should be more like a scheme of work to be used by teachers rather than as the basis from which the RE lead plans the RE curriculum;

b) Some mix syllabi (eg also using Norfolk)

c) Some use a commercially produced scheme of work seemingly without referencing the AS as the statutory requirement

Suggest we include within the guidance and principles to the writing group that we make clear what the AS is and is not, and how it should be used – and by whom.

2. Solid agreement with **the aims** but some points to consider

a) do we tweak the wording to include terms such as respect/tolerance (maybe reference Spiritual, Moral, Social and Cultural {SMSC} development and/or Fundamental British Values, which are within SMSC)?

b) do we include something about understanding similarities and differences within and between traditions?

c) Do we want to make reference to the '3 ways of knowing' from the 2020 Ofsted research review – *Substantive Knowledge, Ways of Knowing, Personal Knowledge*?

d) Do we reference the term 'worldviews' in the aims, as the current drive in RE, stemming from the Commission Report 2018 is on Religion and Worldviews?

Suggest we give clear guidance to the writing group on whether and to what extent we embrace worldviews, both in the title of the AS and its structure and contents. Worldviews is being heralded as a new approach to RE and certainly it has real strength in terms of transforming learning in many schools, but it is not about adding more content! If we do include worldviews, then the AS will need to be clear about what it means by the term. The Commission report would be a good starting point!

"A worldview is a person's way of understanding, experiencing and responding to the world. It can be described as a philosophy of life or an approach to life. This includes how a person understands the nature of reality and their own place in the world. A person's worldview is likely to influence and be influenced by their beliefs, values, behaviours, experiences, identities and commitments."

Also distinguish between institutional and personal worldviews as in the Commission report, to capture the 'Learning from' dimensions of RE

We need to be clear as well as to how much lea-way we give to the writing panel in terms of re-drafting the aims, given that they have received such solid backing in the survey.

3. **What knowledge, when?**

a) This is to do with helping schools plan a sequential curriculum.

Basically there is a split between Secondary Schools, which generally have specialist RE trained teachers, and Primary Schools, which generally do not!

Secondary schools want freedom to make their own choices regarding content, whereas generally Primary schools want greater clarity and direction.

It may be that we ask the writing group to consider how to meet both needs – greater direction in Primary (though may be with some discretion and choice) and greater flexibility withing Secondary (though maybe within specified limits).

Advantages of some form of direction identified in the responses are:

- i. Clarity of expectations
- ii. Planning for continuity and planning
- iii. Clearer guidance for non-specialist teachers
- iv. Consistency across Herts schools
- v. Aiding transition from one Key Stage to the next
- vi. Aiding collaboration across schools

The main disadvantage is that it limits the freedom of the schools to plan their own curriculum.

b) Another issue to consider is whether we limit the range of beliefs covered in depth within each key stage, as a number of schools cover 4, 5 or 6 and this can lead to a sort of 'Cooks tour' of religion and belief with little depth and conceptual coherence.

The AS outlines what schools should teach, but should not prescribe how they should plan and deliver their curriculum. Thus, schools should be free to decide whether to approach individual religions, explore a theme through a number of religions, or a combination of the two. What we could suggest is that any support and guidance could outline the pros and cons of each. In reality, the most likely outcome is that, initially at least, schools will continue with what they have done before!

At some point, and with the help of members of this ASC, we could produce key vocabulary for each Key Stage but if this goes into the AS itself, it then becomes statutory.

4. The format of the syllabus

There were three comments that were positive about this and 17 that were negative.

The **positives** were about clarity of progression through the wheels format, skills progression and the freedom to explore. Mostly secondary schools.

The **negatives** were broadly as below and reflect in particular the needs and concerns of non-specialists:

- a) too vague
- b) hard to plan from
- c) Difficult for non-specialists
- d) Too time-consuming
- e) Hard to follow
- f) Needed significant training
- g) And some just want a scheme of work!

Support materials were slightly more positive, especially regarding the questions offered, the way they help bring the syllabus to life and some great ideas.

However, again more respondents felt it was still hard to plan from and not specific enough regarding content. Many are looking for us to produce a scheme of work for all year groups.

5. What people like about the current AS

This part negates some of the comments above! Many comments on how easy it is to use, the planning wheels being helpful for progression; the aims and 8 areas allowing for open planning and interpretation, allowing freedom for schools; the breadth and flexibility again allowing for choice and freedom to design a school curriculum; the depth of critical thinking and questioning.

The final five comments, though, reflect concerns.

6. Things to improve the AS

More detail to support planning, so again, really referring to support materials and sample planning; more clarity and prescription re knowledge and content, including what knowledge should be taught when; some comments of what is taught in Core RE in KS 4&5; wanting greater clarity of expectations; how to plan and deliver the Early Years aspect of the syllabus within the EYFS Framework; more support and training for planning; links to resources (NB this is not part of an AS and resources change, so better not in the syllabus and with 'health warning' within any support materials).

Additional points re Humanism and alternative religious beliefs; thematic and systematic planning, three types of knowledge, making RE relevant – a whole eclectic list!

Key take aways:

- *We need to consider how we structure content for Primary and for Secondary*
- *Leaders need to be able to develop a sequential and ambitious curriculum for their school, from which teachers can plan lessons*
- *Lack of clarity is an obvious concern and I the writing group will need to be guided by us (the ASC) in terms of ensuring that it is clear. This could also be a role for the schools that have offered to act as focus groups*
- *We need to consider how we adapt to a worldviews approach and disciplinarity – what about other approaches to learning?*
- *How prescriptive and how much flexibility? What goes into the syllabus itself and what goes into the support materials?*
- *Be clear about what an agreed syllabus is and what it is not. Maybe a 'How to use the Herts Agreed Syllabus' section?*
- *The importance of CPD going beyond just the launch needs some consideration.*

CONSTITUTION

1. PREAMBLE

1.1 Hertfordshire County Council is as a result of Chapter III of Part V and Schedule 31 of the Education Act 1996 (as amended) under a duty to constitute a standing advisory council on religious education. In addition to the legislation noted above other responsibilities of this standing advisory council are outlined in, but are not limited to, the Religious Education in English Schools; Non-statutory guidance 2010, SACRE and Self Evaluation: A guide to OFSTED 2005 and Circular 1/94 Religious Education and Collective Worship.

2. NAME

2.1 The name of the name of the Hertfordshire standing advisory council is the 'Standing Advisory Council on Religious Education' (SACRE) and is established by Hertfordshire County Council (the "Local Authority") under the provisions of section 390 of the Education Act 1996.

3. SUPPORT

3.1 The Local Authority has a statutory duty to establish and support the SACRE and will do this through the appointment of an appropriate Servicing Officer or representative responsible for liaison, clerking SACRE meetings, business support and the support of a subject specialist advisor.

4. MEMBERSHIP

4.1 The SACRE, will consist of the members appointed by the Local Authority to represent respectively:

- a. Christian dominations (other than the Church of England) and other religions and denominations as in the opinion of the Local Authority reflect the principal religious traditions in Hertfordshire and in Great Britain. The number of representatives approved under the category shall, so far as consistent with the efficient discharge of this group's functions, reflect broadly the proportionate strength of that denomination or religion in Hertfordshire.
- b. The Church of England.
- c. Associations representing teachers.
- d. The Local Authority.

4.2 The list attached as Appendix 1 outlines the composition of the SACRE in Hertfordshire. The Servicing Officer will review Appendix 1 in accordance with census data and will update SACRE at the annual constitution review if any changes need to be made.

4.3 The length of membership as determined by the Local Authority is 4 years following the County Council cycle.

4.4 Each constituent group should be given the opportunity to be represented on any working parties that SACRE establishes.

4.5 In accordance with its statutory duties, meetings of the full SACRE will be open to members of the public except when items of a confidential nature are to be discussed.

5. DUTIES

5.1 The broad role of SACRE is to develop a supportive partnership with schools within Hertfordshire in order to raise standards and achievement in Religious Education (RE) and collective worship. The Local Authority will work with its SACRE to review existing provision for RE and Collective Worship and consider any action which might be taken.

5.2 The statutory duties of SACRE are:

- a. To require the Local Authority to set up a statutory conference to review the Agreed Syllabus if, in the opinion of the SACRE, this becomes necessary. The Agreed Syllabus must be reviewed and updated every five years but a majority of representative groups on the SACRE, other than that consisting of persons chosen to represent the Local Authority (Group D), may at any time require a review of the Agreed Syllabus which is currently being used by the Local Authority;
- b. To receive and determine whether applications from head teachers, that the requirement for collective worship in community or foundation schools to be wholly or mainly of a broadly Christian character shall not apply to the collective worship provided for some or all of the pupils at that particular school. SACRE will give the head teacher written notification of their decision on the application, the determination order;
- c. To publish an annual report on its work and on actions taken by its representative groups, specifying any matters on which it has advised the Local Authority, broadly describing the nature of that advice, and setting reasons for offering advice on matters which were not referred to it by the Local Authority. This report will be presented to the Local Authority's County Councilors, schools, MPs in Hertfordshire and neighboring Local Authorities and is to be delivered to the National Association for SACREs and the DfE. This report will also be made available to the public. Responsibility for the production of the annual report will be the Servicing Officers', who may delegate the task to an Independent Advisor.

5.3 The additional functions of SACRE in support of its statutory duties are:

- a. To advise the Local Authority on such matters connected with RE and collective worship in Hertfordshire community schools and foundation schools without a religious character;
- b. To monitor the provision and quality of RE taught according to its Agreed Syllabus together with the overall effectiveness of the syllabus;
- c. To provide advice and support on the effective teaching of the Agreed Syllabus;

- d. To provide advice to the Local Authority and its schools on methods of teaching, the choice of teaching material and the provision of teacher training;
- e. In partnership with the Local Authority, consider whether any changes need to be made to the Agreed Syllabus or in the support offered to schools in the implementation of the Agreed Syllabus, to improve the quality of RE and the learning of pupils;
- f. Offer schools and the Local Authority advice concerning how an existing syllabus can be interpreted so as to fit in with wider changes in education;
- g. To seek to develop its own role working with inter-religious bodies such as local Inter-Faith groups, to demonstrate that the study of religion and belief can be an important contribution to community cohesion and to the combating of religious prejudice and discrimination;
- h. To offer advice to the Local Authority on any matters related to SACRE's function as it sees fit*.

5.4. SACRE can also advise the Local Authority upon matters concerned with collective worship in community and foundation schools and RE to be given in accordance with an agreed syllabus. These matters (which the Education Act 1996 provides can include teaching methods, teaching materials and teacher training) can be referred by the Local Authority or may be determined by SACRE*.

5.5. SACRE can also exercise its powers to discuss any matter related to its functions as it sees fit including and not limited to the provision of RE in Academies and Free Schools where these use the Hertfordshire Agreed Syllabus for RE.

6. FREQUENCY OF MEETINGS

6.1 SACRE will meet as a full body each term. The date of each meeting shall as a rule be fixed during the previous meeting. The agenda shall inform members of proposed dates in advance of every two meetings.

6.2 Meetings may be called by the Local Authority, the Chair or by the agreement of members of SACRE by way of vote. Special meetings may be further meetings of the full SACRE, representative groups or sub – committees.

6.3 Details of the business to be considered by the meeting, which will be included in the agenda, must be received by the Clerk to the SACRE no later than 10 working days before the meeting.

6.4 The Clerk will, no later than 5 working days before the meeting, circulate the agenda and supporting papers to the members.

6.5 The Clerk will share the first draft of minutes with the Chair and servicing officers within 5 days of the meeting. Once these have been checked and amended, the clerk will distribute a final draft to members no later than 15 working days following the meeting.

6.6 The draft minutes shall be agreed at the following meeting and then published for public access.

8.3 Decisions within a group about how that vote is to be cast do not require unanimity. Each group is to regulate its own proceedings.

8.4 In the event of an equality of votes on any issue the Chair will have a casting vote. In the absence of the Chair, the Vice-Chair will have a casting vote.

10.2 SACRE will decide co-options following nominations from members of SACRE or representative groups. In making their decision, the SACRE should give consideration to the contribution that the co-opted person would bring to professional expertise, and/or breadth of representation of the community and religious and beliefs perspectives.

10.3 In accordance with 7.1 above, co-opted members will have no voting rights.
