Section 1: Introduction

Foreword by the SACRE Chair

It gives me immense pleasure to present the 2025-26 Annual Report for the Kingston upon Thames Standing Advisory Council on Religious Education (SACRE). It continues to be a privilege to serve as Chair and I would like to express my sincere appreciation to all members for their commitment, professional insight and generous contribution throughout the year.

Kingston upon Thames SACRE is committed to ensuring every child and young person has access to high-quality Religious Education that provides learning opportunities to develop moral responsibility, agency and respect for others.

A central focus has been the continued development of Religious Education that reflects diverse religions, beliefs, non-faith and non-religious worldviews. This is increasingly important in ensuring that every child and young person encounters a curriculum that is inclusive, rigorous and representative of the world in which they live. Every child should see themselves being represented positively with meaning and connection. Through this work, pupils are supported to understand differences, engage in meaningful dialogue and develop the knowledge and empathy needed to live well alongside others as respectful UK citizens.

Our Kingston Agreed Syllabus remains embedded across our schools and continues to provide a strong framework for Religious Education that supports pupils to develop the vocabulary and oracy skills needed to engage in critical thinking and complex questioning.

As the Chair, I recognise the growth of artificial intelligence (AI) in education and everyday life, Religious Education plays an important role in helping young people to question, discern and consider how AI can be used to promote truth, justice and the common good for all.

Pupil Voice will remain at the heart of our work. It is essential that we hear what children and young people tell us, their expectations of Religious Education and how it shapes them, while keeping safeguarding principles at the forefront, so that they are equipped to navigate both their communities and online spaces with care, safety, confidence and respect.

Religious Education also has an important role in strengthening the moral code that helps young people participate positively in society. It should support them to recognise their own moral agency, take responsibility for their choices and understand the value of duty, service, hard work, gratitude, forgiveness and compassion. In a world where young people are exposed to many competing voices and simplified narratives, Religious Education should enable them to think with nuance, resist division and recognise the dignity and humanity of every person.

I look forward to continuing to work with SACRE colleagues, schools and our wider community to ensure that high-quality Religious Education continues to flourish across Kingston upon Thames.

Thank you.

Charmaine Lee
Kingston upon Thames SACRE Chair, 2025-26

Executive Summary

As at the end of the reporting period, SACRE is comprised of 14 Members representing the principal beliefs and religious traditions of the Borough, teacher associations and the Local Authority. In terms of membership, new members were recruited to represent the Muslim community and the Church of England Diocese of Southwark. A new member joined to replace a retired representative of the Humanists UK. The Local Authority will continue its efforts to filling four vacancies.

SACRE held three meetings during the academic year on 20 October 2025, 2 February 2026 and 8 June 2026.

SACRE approved a Code of Conduct for Members and related amendments to the Constitution, to ensure that the SACRE's advisory role remained impartial and safeguarding-compliant. All Members Members had duly signed a declaration to abide by the Code of Conduct.

On monitoring standards of Religious Education, SACRE noted and discussed the 2025 GCSE Religious Studies examination results, and Religious Studies teaching hours for schools in the Borough.

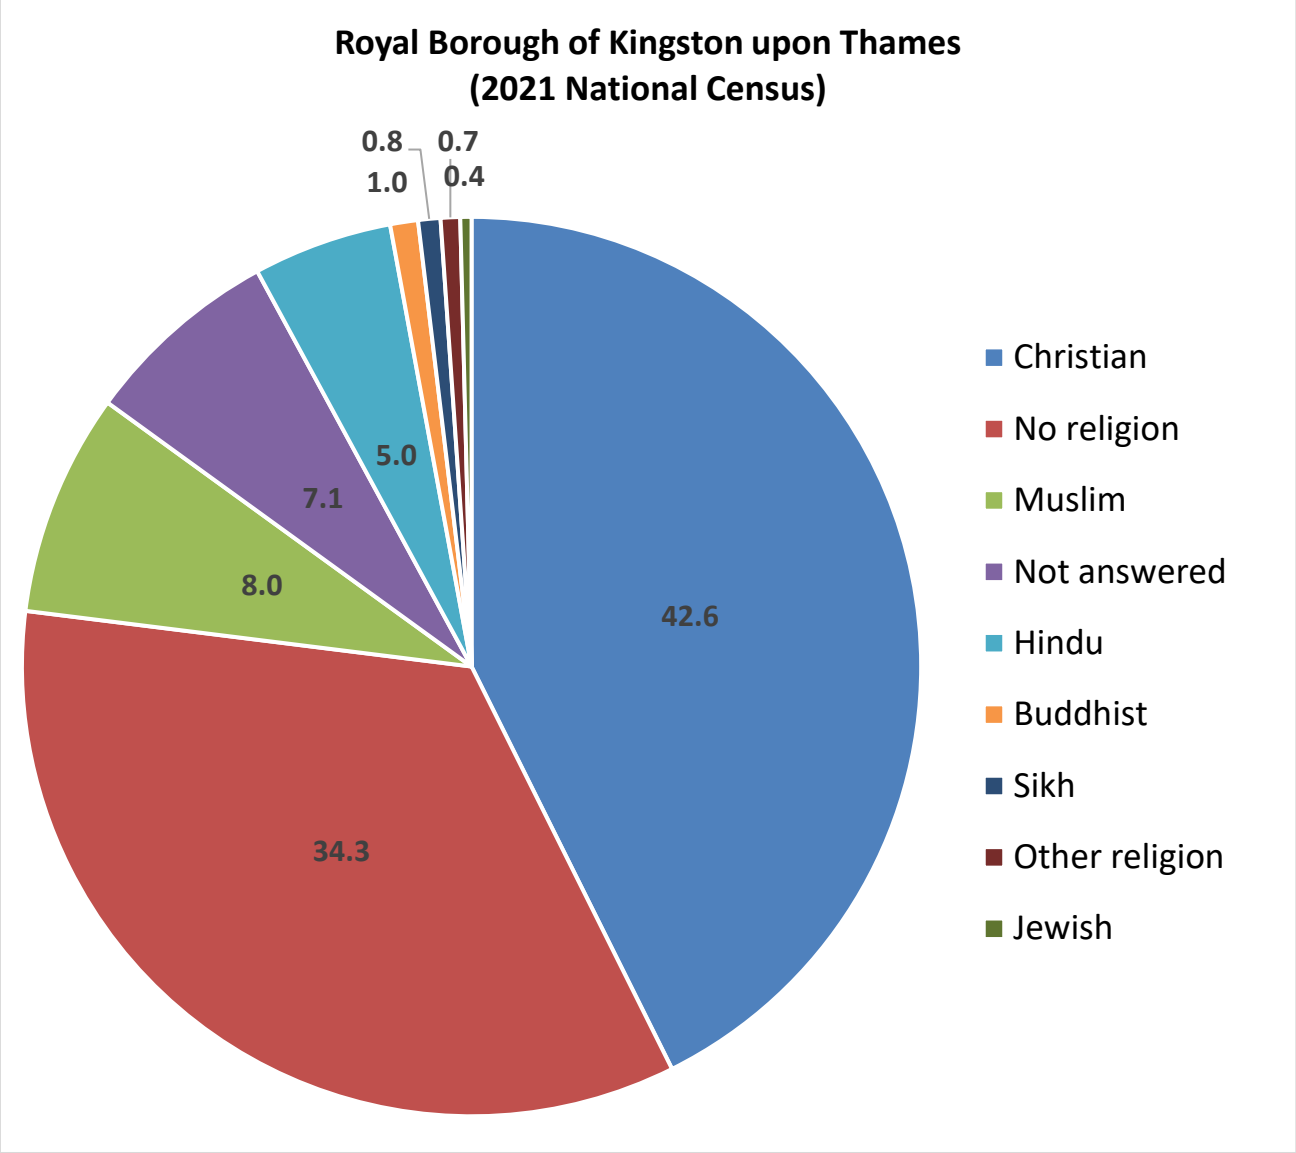

SACRE commenced preparatory discussions for the Agreed Syllabus Conference, noting that the current agreed syllabus was licensed for use until the end of the 2027/28 academic year. A timeline for preparations would be organised taking into account the validity date of the current RE syllabus, and developments on the possible inclusion of Religious Education into the national curriculum. In any case, the Local Authority had confirmed its support to the Agreed Syllabus Conference.

SACRE also discussed on various initiatives, including a RE Award scheme, schools' faith walks and annual lecture.

Section 2: Religious Education (Statutory Responsibilities)

The Agreed Syllabus

RE is not part of the national curriculum. Each LA is required to produce an Agreed Syllabus for RE. Each LA is required to begin reviewing the current Agreed Syllabus within five years of its production. The current Royal Borough of Kingston upon Thames Locally Agreed Syllabus has been in place since September 2023 and runs until 2028. It was produced by RE Today on behalf of SACRE and encompasses early years. Key stages 1, 2 and 3, as well as giving guidance on statutory responsibility for 14-19 (KS4 and 5).

All schools irrespective of designation requested a licence and a copy of the new syllabus from RE today on behalf of SACRE.

SACRE are embedding the syllabus, making good use of the termly RE CPD (Continuing Professional Development) delivered by RE Today on behalf of the SACRE, in partnership with London Borough of Richmond upon Thames SACRE.

Standards and Monitoring of Religious Education

SACRE members gave close consideration to the various national and local developments concerning the provision of RE. Their discussions are prompted by the information provided to the SACRE through the regular updates from teacher members, NASACRE Briefings and NATRE newsletters.

During 2025-26, SACRE meetings focussed on:

- The development of the localised RE Award (with Richmond upon Thames SACRE), which has been announced at the RE Leaders' Network. With the new framework and common set of assessment criteria that has now been drawn up, it is hoped that this award will be appealing to schools. Decisions to approve the proposed criteria and appoint assessors will be made after advice has been obtained from Achieving for Children (AfC) surrounding a budget for this initiative (including feasibility of external funding).
- The potential for a Faith Walks project, and trialling this with a church and synagogue in Surbiton. The excellent existing school visits to places of worship were highlighted, and it was decided that rather than the Faith

Walks, places of worship that already welcomed school visits would be encouraged to advertise their services through SACRE networks.

- Termly RE updates from the professional RE advisers focusing on local and national updates
- Timeline for preparations for a new RE syllabus, taking into account that the current Kingston syllabus is licensed for use until the end of the 2027/28 academic year and developments on a possible national curriculum. Separately, a survey on the current RE syllabus was sent to schools within the Borough. By the end of the reporting period, there was a small, but positive response.
- Monitoring standards of RE and Collective Worship in Kingston schools, including discussions around GCSE and A level data.
- There was a proposal of an annual lecture. However, AfC found little appetite for the proposal amongst schools, therefore was not keen to allocate finances and time to this initiative.
- Adoption of a Code of Conduct for SACRE members. This was drafted with reference to the NASACRE Model Code of Conduct, the Seven Principles of Public Life ("Nolan Principles") promoted by the Committee on Standards in Public Life, the Council's Member Code of Conduct, Codes of Conduct used by other SACREs and suggestions from SACRE members in response to consultation by the clerk. This Code of Conduct is appended as an Enclosure to the SACRE Constitution, so corresponding amendments to the SACRE Constitution have therefore been required.
- SACRE members generally welcomed a draft document by the Local Authorities of Wandsworth, Richmond upon Thames and Kingston upon Thames, which provided clear, updated guidance to schools on national statutory Relationships, Sex and Health Education (RSHE).

Teacher Training

A Good Practice Network for Subject Leaders for RE in community primary schools (in both Richmond upon Thames and Kingston upon Thames) continued to run in 2025-26. These sessions were led by Julie Childs and Julia Diamond-Conway, RE Advisers for RE Today Services. Occasionally SACRE members can attend and play a key role in building effective links between SACRE and the members of this group. The RE Subject Leaders in community primary schools met three times during the 2025-26 academic year.

Training Session 1 – Doing Diwali Differently
Training Session 2 – Global Christianity
Training Session 3 – National RE Update

A shared drive exists for Kingston and Richmond, accessible via QR codes, where teachers can upload resources to reduce workload. This is supported by the AfC Lead School Improvement Adviser.

Withdrawals from Religious Education

SACRE has received no reports from AfC of pupils being withdrawn from Religious Education in 2025-26. There have been no complaints to SACRE in 2025-26 in relation to Religious Education.

Advice given to the Local Authority

Advice was given to the local authority about the following points:

- In accordance with NASACRE guidance, national curriculum developments with relation to RE should be monitored, whilst at the same time legal duties towards syllabus review must be met. In the current situation it is prudent to avoid large financial commitments whilst carrying out any RE curriculum review.

Section 3: Collective Worship (Statutory Responsibilities)

Standards and Monitoring of Collective Worship

During 2025-26 SACRE did not receive any requests for advice and support on Collective Worship.

Determinations

No Local Authority maintained school in the Royal Borough of Kingston upon Thames has ever applied to SACRE for a determination.

Professional and Administrative Support from the Local Authority

During the reporting period, clerking of SACRE was undertaken by the Democratic Services Team of the Local Authority.

The Local Authority provided funding to support SACRE activity 2025-26 by contracting with RE Today Services of an RE Consultant for:

- 3 on-line SACRE meetings, attendance, pre-meeting if needed, verbal and written national updates for members
- 3 on-line training sessions for primary teachers. Sessions to be 1 hour each and are run in collaboration with Richmond upon Thames SACRE and LA.

Julie Childs, Julia Diamond-Conway and Stephen Pett from RE Today carried out the role of RE consultants.

Helena Moore, AfC's Lead School Improvement Adviser for Curriculum Development, held responsibility for SACRE support and liaised with the RE consultant during the reporting period. In the June meeting, SACRE noted that Ms Moore would be leaving AfC at the end of the academic year and the Chair expressed thanks for Ms Moore's contribution to SACRE during the past two years. From September there will be a replacement as SACRE's new AfC liaison.

Assistance for the discharge of SACRE's duties is currently provided by:

- AfC Associate Director, School Standards and Performance
- AfC Lead School Improvement Adviser for Curriculum Development
- Provision of a Clerk from Democratic Services Team
- Funding of the NASACRE annual membership

SACRE is grateful to the Royal Borough of Kingston upon Thames and AfC for making this support available.

Membership

At present, SACRE still has four Representative Group A vacancies (the Sikh Community, Free Churches Group, the Hindu Community, and the Buddhapadipa Temple (Buddhist Community)), and one Representative Group C vacancy (teacher association). The Local Authority has undertaken to look into filling these vacancies, and progress on this has been regularly reported to SACRE.

A redrafted SACRE constitution was approved on 7 July 2025, to bring it more up to date and in line with current arrangements, statutory requirements and best practice. The Director of Education Services, in consultation with the Portfolio Holder for Children's services including Education, is authorised to appoint SACRE Members in Representative Groups A, B and C. The Director shall ensure that Members in Representative Group A appropriately reflect the principal beliefs and religious traditions of the area, and that Members in Representative Group C represent the teacher associations having regard to the circumstances of the area.

A review of the operations of the constitution is scheduled to be conducted by the Annual Meeting of the 2027-28 academic year.

All SACRE meetings in 2025-26 academic year were quorate with the presence of all four Representative Groups. The RE Consultant and the AfC Lead School

Improvement Adviser for Curriculum Development attended all meetings to advise SACRE.

Code of Conduct

At its meeting on 2 February 2026, SACRE approved a Code of Conduct for Members of the SACRE, and related amendments to the SACRE Constitution. The adoption of a Code of Conduct and the accompanying constitutional amendments were intended to ensure that the SACRE's advisory role remained impartial and safeguarding-compliant.

All SACRE Members had duly signed a declaration to abide by the Code of Conduct.
