SACRE supported activities

- The need to support schools to deliver effective Collective Worship has remained a priority for SACRE. Liverpool SACRE has arranged one-day CPD conferences on RE and collective worship. Each school attending received an extensive bank of resources, advice and guidance to support collective worship. The resources are available to all Liverpool schools.

- In October 2017 RE teachers from secondary schools and academies across Liverpool attended a city-wide RE INSET day. General feedback from teachers – an excellent day overall - with 100% assessing the day as very good or better. The INSET, delivered by an RE Today consultant covered:
 - Active learning strategies in RE that can be applied across KS3, GCSE and A-level
 - Getting students to think hard – engaging teaching and learning ideas that enable pupils to learn lots
 - Getting into texts – supporting pupils to engage with texts and develop their skills in interpretation, reading and writing
 - Sharing Practice session on two chosen themes:
 - Year 11 focus eg examples of pupils work, revision materials, exam board discussions
 - A Level philosophy and ethics eg resources, good practice, networking opportunity

- Liverpool SACRE was pleased that 3 members were able to attend the NASACRE AGM in May 2018 who reported back to SACRE with a summary of the input from the keynote speakers.

- Liverpool SACRE has developed positive links with other local SACREs.

- School Improvement Liverpool has facilitated RE teacher networks and has provided bespoke support for RE to individual schools as required.

- SACRE continues to have the support of School Improvement Liverpool in scheduling, advertising and taking bookings for RE subject leader meetings and in promoting various events over the year.

- NASACRE logon details have been issued to all SACRE members and they are encouraged to look at the information contained on the website.

- Standards in RE are monitored via analysis of results in secondary schools at GCSE and GCE A Level

- The former Head of Liverpool Hope University's RE Department is a member of Liverpool SACRE and Wirral SACRE, and provides a positive link with PGCE, ITT and in-service training.
- Liverpool SACRE encourages all members to attend meetings. If members are unable to attend they are encouraged to send a deputy to attend meetings if possible. Minutes are circulated to members soon after each meeting with actions arising clearly stated.

Agreed Syllabus

The locally agreed syllabus is under review.

Advisory Support for Religious Education

Support has been provided to individual schools regarding RE on request, for example, where there has been a change of head teacher or RE co-ordinator new to the role.

Liverpool LA provides administrative support for SACRE via School Improvement Liverpool Ltd. This service includes providing a clerk for taking minutes at SACRE meetings, maintaining the contacts list for members, circulation of invitations to meetings with associated documents and handling general correspondence relating to SACRE.

Both the School Improvement Officer with responsibility for RE and Clerk to SACRE are based at Toxteth Annexe Conference Centre, Aigburth Road, Liverpool L17 7BN.

No complaints have been received about RE.

Collective Worship

Collective Worship Guidance for schools

Advice and guidance on collective worship has been provided to schools via Liverpool SACRE Collective Worship Conferences. Bespoke advice and guidance has been provided to individual schools on request via the link SACRE School Improvement Officer.

A number of schools have shared collective worship resources and materials covering a range of topics such as Mothers' Day, the Hillsborough tragedy, the sinking of SS City of Benares, International Day of Tolerance and Nelson Mandela.

There have been no complaints concerning collective worship.

Determinations

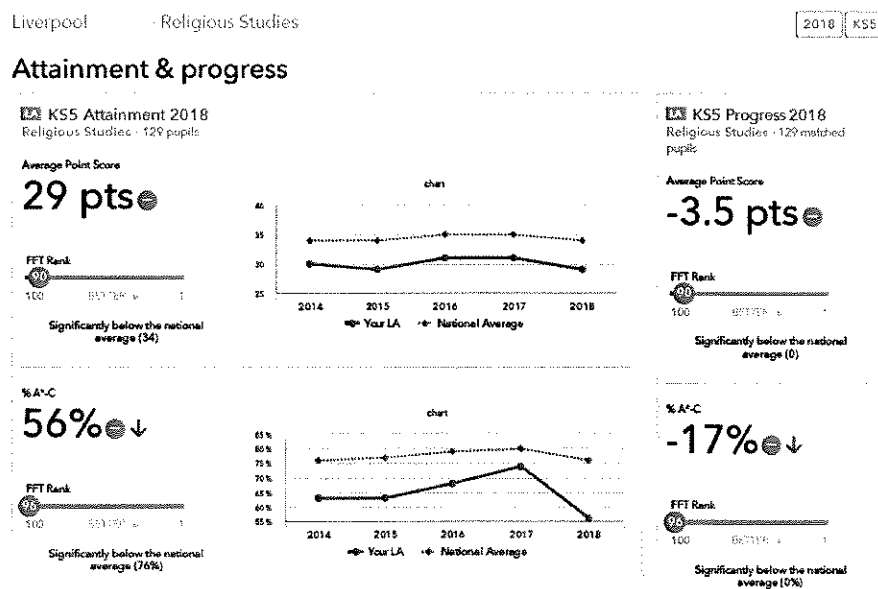

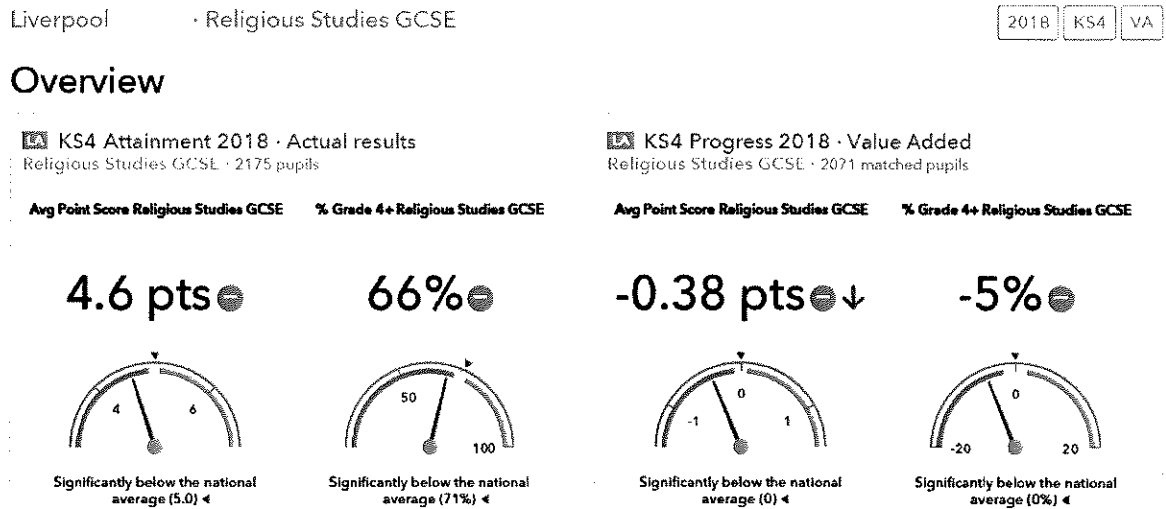

SACRE has not received any requests for determinations with regard to Collective Worship, either this year or in recent previous years. Any school wishing to explore the relevance of a determination (daily collective worship which is other than 'wholly or mainly of a broadly Christian character) in their context should contact the school improvement officer. Church schools are not eligible for a determination. For an academy wishing to apply for a determination the correct process is for the Trust to apply through the Education Funding Agency (EFA) to the Secretary of State.

Finance

Liverpool SACRE has a small budget which is managed by the School Improvement Liverpool. This enables attendance at conferences such as the NASACRE AGM, opportunities to run CPD for teachers, for example a conference on Collective Worship and other activities to support RE in Liverpool.
